## LETTER OF UNDERTAKING

We, the undersigned admit the following about the article entitled:

" .....

article entitled in anglais as follows:

" .....

- [1] As an authentic act which has not previously been published in any form whatsoever, and has never been submitted during any scientific event;
- [2] That the information contained in it is from me (us) and that my contribution (our contribution) is substantial;
- [3] That (We) agree to get the work published in the Journal "JEFB" in both paper and electronic versions, and on the transfer of copyrights to the Journal "JEFB";
- [4] If the editorial board agrees to publish it, I agree (we agree) that it is not my right (our right) to dispose of it either by publication (as it is, or after translation) in other reviews or upload it to the databases or any Web site or use it in the media, except after obtaining the written and prior approval of the director of the journal;
- [5] I bear (we bear) the full legal and moral responsibility for what may appear in the article;
- [6] In the event of breach of any of the terms of the undertaking, I abide by all follow-up and actions taken by the journal in this regard.
